

NURTURING FRESHERS FOR TOMORROW'S ENGINEER

Dhirajlal Gandhi College of Technology conducted an enthusiastic and elated 7th Batch Induction Programme on 20.08.2017 at 10.30 am at the College Campus.

Distinguished chief guest, Mr.U.N.Muralikrishnan, Vice President - Offshore Delivery & Operations Skava an Infosys Company insisted the students on the importance of Hard work which will be huge path for successful career. He explained the students to stay updated on the latest technology. The Guest of Honour, Ms.N.Bhavani HR Manager, Tech Mahindra defined Engineering in simple terms as Oil, Coil & Soil and categorized each domain to Mechanical, Electrical and Civil respectively. She guided students to learn foreign languages like French, Japanese, German etc, which are the need of hour and also illustrated the demand for bilingual engineers with holistic approach. Mr.K Parivallal, CEO DMW orated on Journey to Success and threw light upon mind thinking, think within you, optimistic and continuous thinking. He affirmed the students to follow time management, to set goal and work towards it.

Prof. Dhirajlal A Gandhi, Chairman DGCT, in his Presidential address congratulated and thanked the parents, students for choosing this institution. He justified his idea with the real time experience of 58 years in Technical Education and has produced 62,000 engineers as a teacher and a mentor. He explained the selflessness of parents through a simple illustration and he also professed the young responsible engineers on values in life and the positive impact of good character. The special address was delivered by Mr.Manojkumar, Vice-Chairman, DGCT and he narrated an anecdote with a beautiful message that "It is easy to find faults but very hard to correct it". He elucidated the essentiality of parent – student interaction and nurtured the students on various Job opportunities. Smt. Archana Manojkumar, Secretary, DGCT, in her felicitation emphasized on self confidence of students, motivated the students to perform well in both academics and also in non-academic activities, and wished all the students to walk out from our institution with flying colours.

Dr.V.Murali Bhaskaran, Principal, welcomed the august gathering and through his presentation, he highlighted the strength of faculty and the Infrastructure of the Institution. Dr.S.Saravanan, Dean Admission & HoD – CSE briefed about Engineering Education followed by Dr. V.K. Nelson, Dean S&H introduced the first year class advisors and gave an outline about First year B.E., Programme.

The Parents with the emotional touch thanked the management and expressed their happiness in admitting their wards in a well organized and reputed institution like DGCT and also the budding engineers shared their expectations in engineering education.

The senior students shared their pleasant experiences and welcomed the budding engineers to the Dhirajlal Gandhi College of Technology family. Mr.C.S.Vijai / PRO & Asst Prof proposed the Vote of Thanks. With the national anthem, the event came to a fruitful conclusion.
