

3.2.2 Number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship

Summary of workshops/seminars conducted Academic Year 2019-2020

Sl. no	Name of the workshop/ seminar
1	Entrepreneurial Talk on Importance of Intellectual Property rights By Dr.P.Arulraj,Salem
2	Emerging Technologies & Demand in IT and Research by Dr.Murali baskaran, Dean Academics, REC,Chennai
3	Research Opportunities in Data Science by Dr.R.Kumar, Prof./IT, REC,Chennai
4	Entrepreneurial Talk on Become a software Developer by Dr.P.Arulraj, Salem
5	Intellectual Property Rights and Innovations
6	One day workshop on Advanced surveying
7	One day workshop on Advance sewage treatment
8	One day workshop on construction practices
9	One day workshop cum Hands on Training in Python Programming Mr.Asaithambi, Managing Director Aaron Technology, Salem
10	Five days Training on Advanced C Programming Mr.Asaithambi, Aaron Technologies, Salem
11	Two days Training on Hardware and Networking Programming, Mr.Gowrisankar, Access Point , Salem
12	Special lecture on Test Engineering by Mr. Rajamanickam, Tessolve
13	Webinar on VLSI Design using Verilog HDL from Maven Silicon Bengaluru
14	Inaguration of IE(E) Students Technical Association
15	Inaguration of SCYP EE Students Technical Association
16	Workshop on LED luminaires Fabrication and Testing
17	Awarness Programe on CAD using CATIA
18	Awarness Programe on Computer Aided Engineering
19	Design Build Test Using CATIA Portfolio
20	Industry Expectations from Freshers
21	Five day Workshop on Ideation to Patenting-A Walkthrough
22	Non Destructive Testing

Summary of workshops/seminars conducted Academic Year 2018-2019

SIno	Name of the workshop/ seminar
1	Intellectual Property Rights and Innovations
2	Seminar on career at Government Sectors by Mr.A.Prakasam JTO/BSNL
3	Seminar on current Technology by Mr. Sathish, Livewire,
4	Role of Engineers in developing India
5	One day workshop on Advanced surveying
6	One day workshop on Advance sewage treatment
7	One day seminar on Structural analysis
8	Faculty Development Programme Oracle Programming using PL/SQL by Mr VTL Rao
9	Faculty Development Programme Python Programming by Mr.A.J.Joel, Sr.Software Engineer L& T Infotech
10	Innovative Design for Engineers
11	A seminar on Materials Processing Using Lasers
12	A seminar on Renewable Energy Sources
13	Emerging Opportunities in CAD/CAM/CAE

Summary of workshops/seminars conducted

Academic Year 2017-2018

Slno	Name of the workshop/ seminar
1	Special Talk on Making Industry Ready Engineers
2	Industry Program on Problem on Milk Analyzer and Milk Dairy Equipments
3	Technical Interaction on From Integrated Engineering to Integrated Operations
4	One day workshop on construction practices
5	Role of engineers in Green Building for sustainable construction
6	Industry training on Sales force Business Administration Specialists – Cloud
7	Faculty Development Program on Introduction to Internet of Things
8	Workshop on Scope and Research opportunities in Internet of Things
9	Hands on Training on Developing a Mobile Application
10	PCB design and fabrication by Mr.Karthick, Livewire,
11	Workshop on IoT by Mr.T.N.Rajvignesh,Mr.Harsha Prasanna, Salieabs electronics Engineers LLP from
12	Training on LG Lite ATE Kit by MR. MAHESH BHATKAL,Director R & D, Applied Digital Microsystems.
13	Special lecture on Test Engineering by Mr. Anand Muthiah, VP Tessolve
14	Three Days Entrepreneurship Awareness Camp Phase 1
15	Three Days Entrepreneurship Awareness Camp Phase 2
16	Campus Startup circle workshop
17	Professiona Lecture on Mechanical Electrical and Plumbing(MEP)
18	Internal Technical Seminar on Real Time Simulation for Power Electronics and Power Systems Applications.
19	Workshop on Industrial Automation using PLC
20	Workshop on graphical Embedded System of Arduino using MATLAB/SIMULINK
21	Workshop on LED luminaires Fabrication and Testing
22	Special Talk on Switchgear type and operations
23	Special Talk on Sdesign of Solar Systems
24	An Industry Connected 2017
25	Career prospectus & Technical Aspects of Non Destructive Testing (NDT) & Welding Inspection Technology
26	Current Trends in Mechanical Engineering & Job Opportunities in Automotive Industry

Summary of workshops/seminars conducted

Academic Year 2016-2017

Slno	Name of the workshop/ seminar
1	Three Days Entrepreneurship Awareness Camp
2	Meet with Startups
3	One Day Workshop for Budding Engineers
4	Basic Entrepreneurship Awareness programme
5	Seminar -BE A BOSS
6	Importance of Industrial Visit by Purple Squirrel Eduventures
7	Hands on Training in NI lab view
8	A workshop on Application of NI lab view in Civil Engineering Domain
9	Hands on training on general guidelines for preparation of Civil Drawings & different building approvals
10	Hands on training on general guidelines for preparation of Civil Drawings & different building approvals
11	Hands on Training on Estimation and Quantity Surveying
12	Workshop on Advanced surveying using Total Station
13	Workshop on Standard Penetration test
14	Foundation Analysis using PLAXIS Software
15	Hands on training in Mat Lab software
16	Hands on Training on AECO SIM Software
17	Emerging Technologies & Demand in IT and Research
18	Scope of Research in Engineering Education
19	Seminar on Selenium Software testing tool
20	workshop on Industry Ready Engineers on Python
21	Seminar How to make Industry Ready Teachers
22	Guest lecture on Signal and image processing
23	Guest lecture on IEEE standards
24	Hands on Training in NI lab view
25	Entrepreneurial Training Programme
26	NEN Introductory Program
27	Product introduction Take A selfie
28	Guest Lecture on Microprocessors and Micro Controllers
29	Guest Lecture on Control Systems
30	Special Talk on Recent Advances in Rehabilitation Robotics
31	Industry Connects
32	Emission Control in Automobiles

33	Non Destructive Testing
34	Current Trends in Mechanical Design in Space
35	Unconventional Machining Process and Its industrial Applications
36	Ansys CSR Skill Development Training (CFD)
37	Industrial Challenges in Engineering Structures
38	Workshop on Industry Ready Engineers on PHP
39	Outcomes and opportunity of IEEE blended course on VLSI
40	VLSI Design and Verification & its opportunities

Summary of workshops/seminars conducted Academic Year 2015-2016

S/no	Name of the workshop/ seminar
1	Values of Enterpernership
2	Business Quiz
3	Innovate Solutions forproblems
4	R&D Trends in Mechanical Engineering
5	Anna University Sponsored Seven days FDTP on Programming Data Structure – I
6	ICTACT – Faculty Empower Programme on Creating Thinking for school teachers
7	ICTACT – FDP on Data Science & Big Data Analytics
8	Five days Workshop on Android Application Development
9	Hands on Training on General Guidelines for Web Application Development
10	One Day workshop on Research Challenges and risks in Information Security
11	Creative programming workshop
12	Semiconductors opportunities..... Beyond Moore’s Law
13	Guest lecture on Signal and Systems
14	Recent trends in Telecommunication
15	Seminar on Introduction to MATLAB
16	Workshop on LED luminaires Fabrication and Testing
17	Workshop on LED Manufacturing Techniques
18	PCB Design and Manufacturing Techniques
19	5’S & Its Applications
20	Trends in Finite Element Analysis
21	Recent Advances in Materials and Manufacturing
