**CRITERION: 7.3 Institutional Distinctiveness**

## List Special Laboratory

## Department of Computer Science and Engineering

### Special Lab

**CISCO Networking and Security Lab**

Big Data Analytics with EMC²

IoT Lab

# Department of Electronics and Communication Engineering

## Special Lab

RF and Communication System Lab

TESSOLVE Semiconductor Test Engineering Lab

e-YANTRA Embedded Systems & Robotics Lab

NI LABVIEW Academy

Texas Instruments TI Innovation Lab

# Department of Electrical and Electronics Engineering

## Special Lab

**LED Luminaries Design, Fabrication & Testing Lab**

**Industrial Drives & Renewable Energy Lab**

# Department of Mechanical Engineering

## Special Lab

CNC Lab

Reverse Engineering

Advanced Analysis Lab

Product Design and Development Lab

Industrial Automation Centre
