ELITE - ASSOCIATION

INAUGURATION

Department of Information Technology has organized the department inauguration on **07.10.2023** at 10.30 AM at Seminar Hall A/c.

FACULTY ACHIEVEMENTS

Information Technology department faculty Ms. Karthi has completed the workshop on

Information Technology department faculty Ms.S.ASHA has completed the FDP (Faculty development Programme) of Information Technologyse duration of 12 weeks in java programming in NPTEL.

STUDENT ACHIEVEMENTS

5. Department of Information Technology has Conducted Mini-project presentation on 10.11.2023 at 10 am at Open Source Laboratory.

Information Technology department students of 7 batches have participated in the National level dark pattern hackathon event organized in Information Technology college on **23.01.2024** at 9.30 AM at Seminar Hall A/c.

Information Technology department students Ms. Pooja.P, Ms. Anjana.S, Ms.Renusuruthi.N have participated in the iTech HackFest 2023Hackathon -Regional round on theme: Economic Growth and Job Security event organized in SSN College on **06.07.2023** at 9.30 AM at Chennai.

Information Technology department students Ms.Rithika.R, Ms.Sandhiya.M, Ms. PadmaRohini. M, Ms. Kowsika.M have participated and awarded the certificate of completion for 21 days master class on Python Programming and data science and Generative Ai at Pantech E-Learning Private Limited from 25.10.2023 to 14.11.2023 at 10 am.

Information Technology department student Ms. Rithika.R has awarded the certificate of completion for the workshop on “IoT And its applications in manufacturing industry” organized by the Department of Aerospace Engineering held on 15.07.2023 at SNS College of Technology, Coimbatore at 10 am.

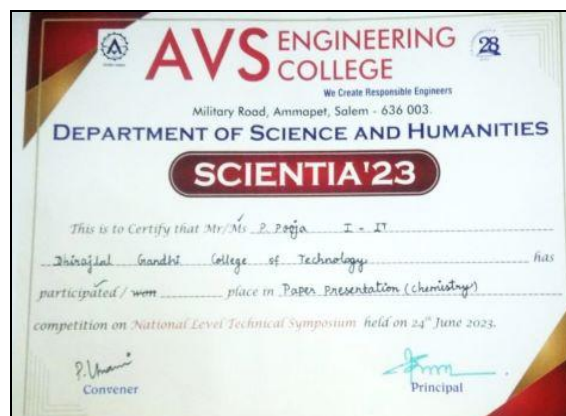

Information Technology department student Ms. Rithika.R has awarded the certificate of completion by the Coding Invaders by Mentorspro on 18.07.2023 at 10 am.

Information Technology department students Ms. Pooja.P, Ms. Madhumitha.G, Ms. Renusuruthi.N have participated in Reverse CodingX conducted by Information Technology Madras as a part of Shaastra on 06.12.2023 at 10 am.

Information Technology department students Ms. Pooja.P, Ms. Anjana.S, Ms. Deepika.G have participated in Scientia'23 National level technical symposium conducted by AVS Engineering College on 24.06.2023 at 10 am.

Information Technology department students Ms. Pooja.P, Ms. Anjana.S, Ms. Deepika.G, Ms. Kowsika.M, Ms.Padmarohini.M and Ms.Sandhiya.M have completed and awarded the python, cInformation Technologyse completion certification in EduPrep on 14.07.2023 at 10.30 am.

Information Technology department student Mr.Sivaramakrishnan.S have completed and awarded certificate of completion for the 4 week internship, leveraging Skills Build & IBM Cloud Platform in Emerging Technologies(AI & Cloud) conducted by Edunet Foundation in collaboration with AICTE on 28.12.2023 to 25.01.2024 at 9.30 am

Information Technology department students Ms. Padmarohini.M, Ms. Sandhiya.M and Ms. Krishnaveni.P has participated in paper presentation, Project Presentation, Multimedia Presentation in Cryosat'23 National level technical symposium conducted by Nandha College of technology on 13.10.2023 at 9 am.

Information Technology department student Ms. Renu suruthi has participated in the Hackathon "PrepSAT" organized by PrepInsta on 06.04.2023 at 9.30 am.

Information Technology department students Ms. Kowsika.M and Ms. Sandhiya.M has participated in Quantathon conducted by Information Technology Madras as a part of shaastra on 08.12.2023 at 10 am.

Information Technology department student Ms. Sandhiya.M has participated in the paper presentation in the National Level Technical Symposium "EGLITZ'23" organized by the Mahendra College of Engineering on 18.10. 2023 at am.
