Ms.A.Priya (AP/Maths)

About Department

The Department of Civil Engineering is equipped with the best of resources to ensure a high quality education to the students. We strive to deliver the latest developments in Civil Engineering field by conducting training programmes which include value added programmes, workshops and practical sessions accomplishing industry persons also from various sectors.

STAFF ACHIEVEMENT

WEBINAR:

- **Ms. S.Narmadha** , of our civil department has participated in one day webinar on **“Earthquake Resistant Structures”** on 13th May 2020, organised by S.A Engineering college
- **Ms.S.Narmadha**, has participated in one day webinar on **“Enivornmental Management Strategies”** presented by Dr. J.Sudharasan, professor, NICMAR, organised by KPR Institiute of Engineering and Technology held on 10.05.2020.
- **Mr.R.Karthick**, of our civil department participated in the webinar on **“MS project software in construction field“** it is organised by e of engineering and technology” on 27.05.20
- **Ms.S.Narmadha** has participated in one day webinar on **“Carrer opportunities for Civil engineers through GATE”** on 09 may 2020, organised by KPR Institute of technology
- **Ms.S.Narmadha**, has participated in one day webinar on **“ project procurement Management”** held on 05 May 2020, organised by KPR Institute of Engineering and Technology
- **Ms.S.Narmadha** has participated in one day webinar on **”Tunnelling instrumentation and Monitoring”** presented by Er.S.ArulPandiyan held on 08 May 2020 it is organised by KPR Institute of Engineering and Technology
- **Ms.N.Yasmin** of our civil department has participated in one day webinar on **“Innovation and Sustainability through construction chemicals”** presented by Er.Vivek Naik, organised by KDK College of Engineering held on 14th May 2020.
- **Ms.N.Yasmin**, has participated in one day webinar on **“IT Interventions in Civil Engineering”** held on 16th May 2020 at Cambridge Institute of Technology,
- **Ms.N. Yasmin** has participated in one day webinar on **“ Application of Ground Improvement Techniques A Case Study”** held on 27th May 2020 organised by Don Bosco Institute of Technology
- **Mr.S.Arun kumar**, has participated in Indo-China webinar series jointly with Vardhaman college of Engineering , SVNIT held on 19th May 2020.
- **Ms.M.Nithya** , of our civil department has participated in one

day webinar on “**Sustainability for Water**” held on 13th May 2020, organised by Mahendra Engineering College.

- **Ms.R.Suganya**, has participated in one day webinar on “**A Journey of Civil Engineer as an Entrepreneur**” on 6th May 2020, organised by KPR Institute of Engineering and Technology.
- **Ms.R.Suganya**, has participated in one day webinar on “**Special Concrete on Special Structures**”, held on 8th May 2020 organised by Indian Concrete Institute, Bangalore.
- **Ms.R.Suganya**, has successfully participated in one day webinar on “**Structural Steel Design Concepts**” held on 11th May 2020, it is organised by Prathyusha Engineering College, Chennai.

FDP:

- **Mr. G.Shankar**, of our civil department has participated in online faculty development programme on the topic “**Pavement design construction and Rehabilitation**” conducted from 25th June to 27th June 2020 for 3 days
- **Ms.R.Suganya**, has participated in five days Faculty development Programme on the topic

“**Advancements in Concrete Technology**” conducted by Kongu Engineering College held on 12th May to 16th May 2020

- **Ms.M.Nithya**, has successfully participated in Faculty development programme, on the topic “**An Overview on Recent Construction Materials**” held on 10th June to 12th June 2020, organised by Annapoorana Engineering College.

- **Ms.M.Nithya**, has participated in five day online Faculty Development programme on the topic “**Multi Disciplinary Approaches in Civil Engineerring**” from 6th Junr to 3rd July, it is organised by Nalla Narasimha Reddy group of Institution.

- **Ms.M.Nithya**, has participated in 3 days online FDP on the topic “**Recent Trends in Environmental Engineering**” held from 4th June to 6th July 2020, organised by Mohamed Sathak A J College of Engineering.

- **Ms.M.Nithya**, has participated in online Faculty development programme on “**Pavement Design, Construction and**

Rehabilitation” conducted from 25th June to 27th June 2020, organised by Vignana Bharathi Institute of Technology in association with TASK (Telangana Academy for Skill and Knowledge).

WORKSHOP:

- **Ms.R.Suganya**, has successfully participated in three days National level online workshop on the the topic “ **Smart Research**” organised by Government First Grade College, Kanakapura held from 7th May to 9th May 2020.
- **Ms.N.Yasmin**, has participated in online workshop on “**Recent Advance in Science and Technology of Concrete**” held on 2nd May 2020 , organised by Indian Institute of Technology Madras, Chennai.
- **Ms.N.Yasmin**, has participated in online workshop on “**Performance of High Strength Concrete**” held on 1th May 2020 , organised by Indian Concrete Institute , Bangalore.

CONFERENCES:

- **Mr.G.Shankar**, has participated in National level web conferences on the topic “Underwater Concreting” on

RIAET-2020, it is organised by Dr.NGP Institute of Technology held on 6th June 2020.

- **Mr.G.Shankar**, has presented a paper titled on “Health Monitoring of the durability properities of Concrete beam” in National e- Conferences on “Emerging trends in civil engineering” ,organised by Dhirajlal Gandhi College of Technology held on 24th April 2020.
- **Ms.S.Narmadha**. has participated in National level web Conferences on 15th May 2020 and presented a paper entitled “Structural health monitoring of Flatslab using NILab view” on “Advancement in,Sustainable materials, design and application” it is organised by M.Kumarasamy College of Engineering.
- **Ms.S.Narmadha**, has presented a paper titled “**Experimental Study on Stabilization of Soil using Lime and Egg shell powder**” in National e-Conferences on Emerging trends in Civil Engineering 2020, organised by Dhirajlal Gandhi College of Technology, held on 24th April 2020.
- **Ms.S.Narmadha**, of our Civil department has successfully presented a paper title, “ **Health Monitoring of the durability properities of Concrete beam** “ in National e-Conferences on emerging trends in Civil engineering 2020 , it is organised by Dhirajlal Gandhi Institute of technology,Salem.

ORGANIZING COMMITTEE

CHIEF PATRON: Shri. Dhirajlal A. Gandhi
 Chairman / DGCT

PATRON: Mr. D. Manjunath
 Vice - Chairman / DGCT (M.A.A.) Salem
 Smt. Archana Manjunath
 Secretary / DGCT

CONVENER: Dr. S. Saravanan
 Principal / DGCT

CO-CONVENER: Mr. G. Silambarasan
 Professor and Head / Civil

COORDINATORS: Mr. S. Anand Kumar
 Asst. Professor / Civil
 Mrs. M. Archana
 Asst. Professor / Civil

ADVISORY COMMITTEE: Dr. P. Suresh Kumar
 HOD / Anna University, Chennai
 Dr. K. Balakrishnan
 HOD / JCTC
 Dr. G. Venkatesh
 Professor / Anna University / Trichy
 Dr. V. Rajkumar
 Professor & Head / IIT / IIT / Salem
 Dr. G. Anand Kumar
 Principal / JCTC / Salem
 Mr. TamilSelvan
 Asst. Prof. / JCTC / Salem
 Dr. A. Vignesh Ramesh
 Mr. D. Anand Kumar
 Professor / JCTC / Chennai
 Mr. Karthikeyan
 Professor / JCTC / Chennai
 Mr. K. Vignesh
 Asst. Professor / JCTC / Chennai
 Dr. Premraj / JCTC / Chennai
 Mr. G. Mahalingam
 Asst. Professor / JCTC / Chennai
 Mr. G. Sathish / Asst. Prof / Civil

EXECUTIVE MEMBERS: Mr. S. Venkatesh / Asst. Prof / Civil
 Mr. M. Anand / Asst. Prof / Civil
 Mr. S. Anand / Asst. Prof / Civil
 Mr. G. Sathish / Asst. Prof / Civil

4th April 2020
 Organized by
 Department of Civil Engineering
 DHIRAJLAL GANDHI COLLEGE OF TECHNOLOGY
 Accredited by NAAC
 (Approved by AICTE & Affiliated to Anna University, Chennai)
 Opposite to Salem Road, Sikkurampatty, Salem - 638 305, Tamil Nadu.
 Website: www.dgct.ac.in, Ph: +91 9330 203 333, 367

This National e-Conferences was inaugurated in the presences of **Mr.G.Silambarasan**, Head of Civil Department.

STUDENTS ACHIEVEMENT

Our Civil Department has successfully conducted National level e- Conferences on “**Emerging Trends in Civil Engineering (NCETCE 2020)**”, held on 24th April 2020. This Conferences aims is to bring to innovative academicians, researchers and industry experts in the field of Civil Engineering fields to a common forum for a Constructive discussion on theoretical concepts and practical ideas to promote a digital nation. It also helps in identify the cutting edge technological advancement the world.

Totally around 23 papers were received. The received paper has been reviewed through the Advisory Committee

- **K.Karan (III-A)** of Civil students has actively participated in one day webinar on “**Overview of transporational Engineering and future Scope for budding Civil Engineers**” presented by Prof.,Dr.M.Prem Swaroup Reddy in DBIT , organised by Dhirajlal Gandhi College of Technology, Salem, held on 3rd June 2020.
- **A.Harshini , (II-Year)** of Civil Department has successfully participated in power seminar webinar on theme “**Sky is not the limit**” organised by ICT Academy held on 4th June 2020.
- **S.Keerthini, (II-Year)** of Civil Department has participated on one day seminar webinar on “**Sky is not the limit**” on 4th June 2020 organised by ICT Academy .
- **A.Harshini, (II-Year)** has participated in one day webinar on “**Soft Skills and Talent Transformation**” held on 14th June 2020, organised by Mohamed Sathak Engineering College.
- **M.Suganthi, (II-Year)** has actively participated

in the webinar on “**Career of Engineering As Entrepreneurs**” organised by Sri Ranganathar Institute of Engineering and Technology held on 15th June 2020.

- **A.Tamilarasu** (II-Year) has successfully participated in one day webinar on “**Soft Skills and Talent Transformation**” organised by Mohamed Sathak Engineering College, held on 14th June 2020.
- **A.Tamilarasu** (II- Year) of Civil Department has successfully participated in the webinar on “**Career Of Engineering As Entrepreneurs**” organised by Sri Ranganathar Institute of Engineering and Technology held on 15th June 2020.
- **A.Tamilarasu** (II-year) has participated in the power seminar webinar on theme “**Dare to Win**” conducted by ICT Academy held on 10th June 2020.

Mr. Dr.J.Parhasarathy,

Director- Placement and Training

DGCT is promoted by Mukesh & Associates, an ISO 9001:2008 certified multi disciplinary engineering and architectural consultancy firm in India and abroad. DGCT aims to place eligible students through On-campus, Off-campus and Pool-campus drives conducted by top c companies

The main objective of Placement & Training department is not only to focus on employability as engineers, but to imbibe professionalism and better human beings for the society

❖ *We proudly share that we have achieved one of our students were selected in placement while during Quarantine period with good package of Byjus company of salary 10 lakhs per annum.*

Placement Details :

<i>Name of the Student</i>	<i>Name of the Company</i>
<i>HARISH GOWTHAM</i>	<i>Byjus</i>

Alumni testimony

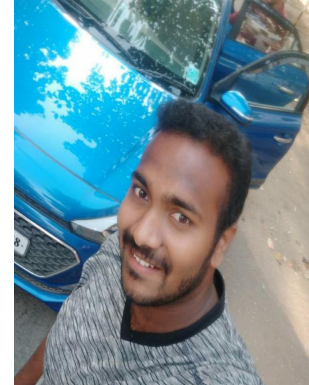

Our Civil department Alumni students has been great position in their job and they reveal the scope and opportunity of our college civil department. As below some of our Civil department students expose their feedback about college and placement training which was conducted on **18th June 2020** during this quarantine period.

I. Lakshman Prasath,

Now working as a **Assistant Engineer**,
Tamilnadu Highway Department, Thiruvallur
District, Tamilnadu.

“I feel so proud to be an Alumni of Department of Civil Engineering ,DGCT . At the outset I had exposed to all the advanced testing facilities in Civil engineering field while pursuing my degree, which helps me lot now in real field.”

V .HARISEH KUMAR

Now working as a **Assistant manager** in Relationship, Talentio academy, Chennai,
“Being an alumni I feel proud to share that I had utilized the various training and technical sessions organized at Department of CivilEngineering, DGCT due to which I got motivated to become a great”.
